NCSEA
National Council of Structural Engineers Associations

NCSEA Benefits for Individual Members of State SEAs

As a member of your **state-level SEA,** the following NCSEA benefits are available:

- A subscription to *STRUCTURE* magazine, the leading monthly magazine for structural engineering, both print and electronic versions.
- A subscription to *Structural Connection*, NCSEA's monthly member e-newsletter with information on NCSEA and SEA activities and events.
- An opportunity to secure a yearly subscription to unlimited live (25+ per year) and recorded webinars (from a library of 120+) available on-demand, 24/7/365. *All NCSEA webinars are Diamond Reviewed for CE credit in all 50 states.*
- An opportunity to join NCSEA Committees including: Basic Education, Code Advisory, Communications, Continuing Education, Publications, Resilience, Structural Engineering Engagement and Equity (SE3), Structural Engineering Emergency Response (SEER), Structural Engineering Summit, Structural Licensure and Young Member Group Support.
- Access to NCSEA web-based communities, including those on LinkedIn and Basecamp.
- Access to scholarships to the NCSEA Structural Engineering Summit for young members.
- Access to the NCSEA Member Portal that provides:
  - Committee documents & resources.
  - Tools for your SEA such as an MO Speaker List, the MO Toolbox and the MO Summary Report
  - Young member resources, including the NCSEA Young Member Start-Up & Resource Guide.
  - Resources for engineers, including the Essential Book list for a Structural Engineer's Library.
  - Emergency response information, including the SEER Manual.

  All SEA Members already have an account. Click the MEMBER LOGIN link on www.ncsea.com to access member-only resources. If you've never logged in, use the email you provided to your SEA and the password NCSEA1234.
- Access to the NCSEA Education Portal that provides online access to your PDH hours earned through NCSEA live and recorded webinars.
- Discounts for webinars, the NCSEA SE Refresher & Review Course, the Structural Engineering Summit, and various NCSEA and ICC publications.

In addition, your SEA directly receives additional benefits from NCSEA:

- One recorded online webinar each year for free.
- Access to the Grant Program to help secure funding for Member Organization projects, programs and advancement.
- Telephone, face-to-face and web-based support to help your SEA run an effective volunteer-driven organization.
- Connection between your state SEA committees and national NCSEA Committees.
- Access to monthly MO Communication webinars to support your SEA operations.
- Recommended speakers list for your education programming.
- Exposure for your news and events through NCSEA's E-Newsletter and website.
